

CHAPTER NO. 596

SENATE BILL NO. 2286

By Rochelle

Substituted for: House Bill No. 2266

By Curtiss

AN ACT To amend Tennessee Code Annotated, Title 5, Chapter 23, relative to the adoption of personnel policies for employees within the county executive's office, and to correct an erroneous statutory reference.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 5-23-103, is hereby amended by adding the following as a new subsection:

(e) Upon completion of the base personnel policies in accordance with subsection (d), a county executive may adopt separate base personnel policies applicable to the employees of his or her individual office by filing approved base personnel policies with the county legislative body in the same manner established in subsection (a).

SECTION 2. Tennessee Code Annotated, Section 5-23-110, is amended by deleting the language "§5-5-106" and substituting instead the language "§5-6-112".

SECTION 3. Tennessee Code Annotated, Section 5-23-103(b), is amended by deleting the language "After July 1, 1997," and substituting instead the language "From and after the specified effective date,".

SECTION 4. If any provision of this act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the act which can be given effect without the invalid provision or application, and to that end the provisions of this act are declared to be severable.

SECTION 5. This act shall take effect upon becoming a law, the public welfare requiring it.

PASSED: February 19, 1998

JOHN S. WILDER
SPEAKER OF THE SENATE

**JIMMY NAFEH, SPEAKER
HOUSE OF REPRESENTATIVES**

The image consists of a repeating pattern of the character 'f'. The pattern is arranged in horizontal rows. In the center of the image, there is a vertical column where every second character is replaced by the three characters 'c00'. This creates a distinct vertical line of 'c00ff' characters against the 'f' background.

The image consists of a continuous, horizontal repeating pattern of the letter 'f'. The 'f's are rendered in a bold, black font. Interspersed among these 'f's are occasional sequences of characters: 'cOO' and 'fcOO'. These sequences appear as if they are part of the main pattern, though they are clearly distinct from the surrounding 'f's. The overall effect is a dense, monochromatic texture with embedded text elements.

The image consists of a continuous, horizontal sequence of vertical bars. The bars are black on one side and white on the other, creating a high-contrast, striped effect. This pattern repeats across the entire width of the image.

The image consists of a continuous, horizontal repeating pattern. The primary character is a lowercase 'f', rendered in black. These 'f's are arranged in a dense, overlapping grid across the entire width of the image. Interspersed among these 'f's are occasional instances of other characters: 'c000' appears approximately once every 10-12 characters, and 'c0' appears approximately once every 20-25 characters. The 'c000' and 'c0' characters are also in black, matching the style of the 'f'. The overall effect is a monochromatic, digital-style texture.

The image consists of a repeating pattern of the letter 'f' in black, set against a white background. The pattern is arranged in horizontal rows. In the center of the image, there is a vertical column of characters that deviates from the standard 'f'. This central column contains the following sequence of characters from top to bottom: 'c', 'O', 'O', 'f', and 'c'. The rest of the image is filled with the standard 'f' character.

The image consists of a continuous, horizontal sequence of vertical bars. The bars are black on one side and white on the other, creating a high-contrast, striped effect. This pattern repeats across the entire width of the image.

The image consists of a continuous, horizontal repeating pattern of the letter 'f'. The pattern is set against a plain white background. Interspersed within this 'f' pattern are two distinct sequences of characters: 'cOO' and 'cOOOf'. These sequences appear as if they are being inserted into the otherwise uniform 'f' sequence. The 'cOO' sequence is composed of three lowercase 'o's followed by a lowercase 'c'. The 'cOOOf' sequence is composed of three lowercase 'o's followed by a lowercase 'c' and a lowercase 'f'. The entire pattern is rendered in a simple, black sans-serif font.

The image consists of a continuous, horizontal repeating pattern. The primary character is a lowercase 'f', rendered in black. These 'f's are arranged in a dense, monosyllabic font. Interspersed among these 'f's are two specific sequences: 'cOO' and 'c000'. The 'cOO' sequence appears as a single character 'c' followed by two 'O's, while 'c000' appears as a single character 'c' followed by three '0's. These sequences are distributed across the entire width of the image, appearing approximately once every 10-15 characters.

The image consists of a continuous, horizontal repeating pattern of the letter 'f'. The pattern is set against a plain white background. Interspersed within this 'f' pattern are specific sequences of characters: 'cOOOf' and 'fffffcOOOf'. These sequences appear at regular intervals, creating a subtle variation in the otherwise uniform texture. The 'cOOOf' sequence is composed of four 'f's followed by one 'O', and the 'fffffcOOOf' sequence is composed of five 'f's followed by one 'O'. The overall effect is a clean, minimalist design with a hidden, repeating motif.

The image consists of a continuous, horizontal repeating pattern. It features a series of small, black, vertical 'f' shaped characters arranged side-by-side. Interspersed among these 'f' characters are two larger, solid black 'O' characters positioned side-by-side in the center of each row. The pattern repeats from left to right across the entire width of the image.
